

Portfolio Feedback Heorhii

1. **Structure Resume**

On the right side of the resume i suggest the following structure

Contact

Personal Info

Developer experience

Work experience

Education

On the Left side I suggest the following structure

Key abilities

Courses

Languages

Hobbies

2. **Work experience**

Ensure to provide more detail regarding your responsibilities as well as stakeholder management for each work experience. E.q. (also add the name of the role on top):

Junior Consultant, Samsung

- task 1

- task 2

- task 3

- Stakeholdermanagement
